

UNITED STATES DISTRICT COURT
for the
EASTERN DISTRICT OF NORTH CAROLINA

U.S.A. vs. Robert Sansbury

Docket No. 7:12-CR-49-1BO

Petition for Action on Supervised Release

COMES NOW David W. Leake, U.S. Probation Officer of the court, presenting a petition for modification of the Judgment and Commitment Order of Robert Sansbury, who, upon an earlier plea of guilty to Felon in Possession of a Firearm and Ammunition, in violation of 18 U.S.C. §§ 922(g) and 924, and Possession of a Stolen Firearm, in violation of 18 U.S.C. §§ 922(j) and 924, was sentenced by the Honorable Terrence W. Boyle, U.S. District Judge, on March 4, 2013, to the custody of the Bureau of Prisons for a term of 70 months. It was further ordered that upon release from imprisonment the defendant be placed on supervised release for a period of 36 months.

Robert Sansbury was released from custody on July 6, 2017, at which time the term of supervised release commenced.

On November 2, 2017, following two positive drug tests and the defendant's admission to using marijuana, the court agreed to continue him on supervision and modify his conditions to include participation and substance abuse and mental health treatment.

On May 3, 2018, following a positive drug test and the defendant's admission to using marijuana, the court agreed to continue him on supervision and modify his conditions by adding 12 hours of community service. Additionally, the defendant was directed to continue participation in substance abuse treatment, and was taught a cognitive intervention technique to improve his decision making ability.

RESPECTFULLY PRESENTING PETITION FOR ACTION OF COURT FOR CAUSE AS FOLLOWS:

On June 19, 2018, the defendant submitted to a urinalysis that yielded positive results for marijuana. When confronted on June 27, 2018, the defendant admitted to using marijuana after learning of the death of his uncle and the death of an acquaintance. Given the defendant's participation in substance abuse and mental health counseling, it is recommended that he be ordered to complete 2 days in jail and be continued on supervision. The defendant signed a Waiver of Hearing agreeing to the proposed modification of supervision. Additionally, he has been directed to continue participation in substance abuse treatment which will occur at an increased rate.

PRAYING THAT THE COURT WILL ORDER that supervised release be modified as follows:

1. The defendant shall be confined in the custody of the Bureau of Prisons for a period of 2 days, as arranged by the probation office and shall abide by all rules and regulations of the designated facility.

Except as herein modified, the judgment shall remain in full force and effect.
